

POVERTY FACTS

Here are some useful facts to include in your presentation. Choose one or two from the following list to add to the points you are making. Remember that speaking from your heart about sponsoring a child is always the most dynamic and effective way of sharing the issues surrounding child poverty.

- 600 million children live in extreme poverty.
- A child dies from hunger every five seconds.
- One in every six children aged between five and 14 years of age is involved in child labour.
- The amount of people living in extreme poverty worldwide has dropped from 52% in 1981 to 9.6% in 2015. Which means what we are doing is making a difference!
- More than nine million children under the age of five die each year. Many of these deaths are preventable.
- Approximately 15 million children under the age of 18 have lost one or both parents to AIDS.
